**REQUEST FOR RECONSIDERATION OF THE PETITION FOR REVIVAL OF  
APPLICATION AS UNINTENTIONALLY ABANDONED UNDER 37 CFR 1.137(b)**

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In view of the decision on petition dated May 23, 2011, Applicant withdraws the petition for withdrawal of the holding of abandonment and requests reconsideration of the petition for revival as being unintentionally abandoned. Attached to this request for reconsideration are properly executed declarations for this application. Accordingly, Applicant requests that the declaration be entered for this application.

Applicant requests reconsideration of the petition for revival as unintentionally being abandoned. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. Once it was learned that this application had become abandoned, Applicant promptly filed the original petition on February 17, 2011. This request for reconsideration includes the required response in the form of the declaration and the required clear statement that the delay in filing the required reply from the due date to the filing of the original petition was unintentional.

Petitioner requests that for the reasons discussed above that the application be revived as unintentionally abandoned and examined on the merits.

The Commissioner is hereby authorized to charge the fee for revival as unintentionally abandoned to Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds, P.C. should any additional fee be required. Further, if any additional fees are necessary, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds, P.C.

Respectfully submitted,

**CARLSON, GASKEY & OLDS, P.C.**
